MICROFLUTE BOXES & TRAYS

Tiny pockets of air in our new microflute range offer fantastic insulation. Ideal for burgers, curries, salads, fried treats and more. Why not try them in your hot cabinet? Lightweight and sturdy - ideal for hot or cold takeaway, delivery and dine in.

SPLITTABLE 4-CUP CARRY TRAY

A new practical tray for hot or cold cups, made from 100% recycled board. Simple to assemble, and split in half if needed. Flat-packed, taking up less space than moulded fibre trays. Coffees all round!

PREMIUM BURGER BOXES

Great for takeaway and delivery! The practical fold-out design turns the box into a plate for dining. Available in two different sizes – for individual gourmet burgers or burger meals. Made from recycled unbleached board.

PAPER SOUP LIDS

Paper soup lids – available in 90mm and 115mm sizes. Great for hot or cold foods. Crisp white design with Vegware's Green Leaf band, made from sustainably-sourced paper.

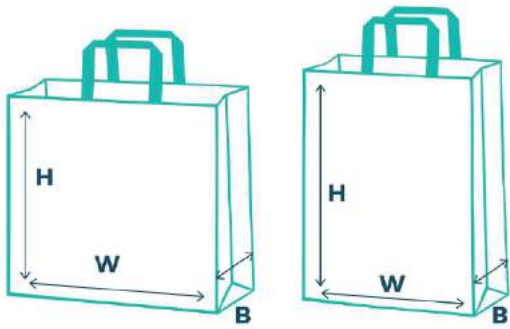

PAPER HOT CUP LIDS

Stylish paper lid with tab for hot drinks to go. Simply pull back and secure tab to sip. Available in 79-Series and 89-Series. Made from sustainably-sourced paper, coated with plant-based, compostable BioPBS.

Custom Package Options

Our service offers custom packaging solutions to tailor your product to your unique needs. We provide an efficient and cost-effective way to ensure that your product is presented in the most professional and appealing manner.

Custom restaurant packaging offers brand marketing opportunities

Custom restaurant packaging is a perfect way to leave a lasting impression on your customers, as your brand name will be prominently displayed on take-out, delivery, or leftover food boxes. With our branded packaging, not only will your customers remember their positive dining experience but also spread awareness of your restaurant, helping to increase overall visibility of your brand.

Trustworthy and food-grade materials for takeout boxes

Our restaurant packaging box is made from all-natural paper material and coated to withstand oil, grease, and moisture from food. Whether you are selling hot, cold, or greasy food, we can help you determine the type of take-out box that is right for your needs.

Helping you design your own restaurant packaging box

We have packaging consultants who have extensive experience in creating food packaging solutions that meet the unique needs of restaurants and food businesses. The durability and practicality of our custom restaurant packaging can ensure that the packaging will meet the needs of your specific food products.
